

**Mrs. Jaishree Jain**

**Assistant Professor**

Mrs. Jaishree Jain (Assistant Professor) is working in our IT Department since 2011 in BIT Meerut. Her performance is very good in teaching with 7 years experience in IT Department and helpful with the college to manage all activities, which are conducted by the college. It is appreciated that in every semester, she gave the best results of the students by her performance and dedication. Her behavior is very soft with their colleagues/students and very helpful to resolve the problems if students get in their subjects/projects, so that they can achieve their goals smoothly. She takes keen interest to improve the quality of the students at her end. She has a good academic record with cracking GATE two times. Her M.Tech is from MNNIT Allahabad with fabulous Grade and also upgrading her education level by migrated as Ph.DScholor of UTU Dehradun with her job. This message goes to encourage the students that the focus is necessary to improve his/her self to get best levels /Goal's in their respective fields. About 22 papers had been published by her in International/National Journal's and Conferences. She is also a life time member of (ISTE) International Society for Technical Education, member of IEEE and awarded as an Associate Professor by ECI (Engineering Council of India) as per her qualities of qualifications.
