

Mr. KULDEEP SINGH PAL
Associate Professor, Department of Mechanical Engineering

Mr. Kuldeep Singh Pal did his B tech in Mechanical Engineering from Institute of Engineering and Technology, Lucknow and M Tech from Uttar Pradesh Technical University. He is having an experience of more than 16 years in teaching core subjects of Mechanical Engineering like Engineering Mechanics, Engineering Thermodynamics, Heat and Mass Transfer and Refrigeration & Air Conditioning. He has guided more than 100 undergraduate students for their final year projects in the mentioned fields. He has also published a text book on Engineering Mechanics from Satya Prakashan, New Delhi.

Mr. Kuldeep Singh Pal is equipped with significant professional competence, academic and administrative strength. He has also been involved in many administrative responsibilities given to him by the university and institute from time to time as centre controller for State Engineering Entrance Examination, Assistant Superintendant for University Examination, member of Flying Squad during the University Examinations, Dean Student's Welfare, Chief Proctor and Sports Convener in the institute. Presently he is serving as HEAD of the Mechanical Engineering Department and NSS Coordinator.

During his tenure, the department has not only been consistently maintaining good academic results but also got accredited by NBA, New Delhi in 2012. He places special emphasis on all round development of his students with focus on inculcating self discipline, good moral values, ethics, team spirit, work culture and positive attitude to make the students not just competent professionals but also good citizens and responsible members of the society.
