

Mr. Manu Mittal
(Assistant Professor)
Mechanical Engineering Department

Mr. Manu Mittal is working as an Assistant Professor in Mechanical Engineering Department at Bharat Institute of Technology, Meerut since 2013. He received his B.Tech. degree from Uttar Pradesh Technical University in year 2010 and M.Tech. in 2012 from KNIT Sultanpur. He has presented many research papers in national conference. He has 5 years of teaching experience. He has taught various subjects of Mechanical Engineering in different semesters like Heat & Mass Transfer, Applied Thermodynamics, Fluid Mechanics, Power Plant Engineering etc. He has guided many student groups for their Engineering projects. His area of interest is Thermal Engineering.

He has attended many faculty development programs organized by various organizations like WIPRO Mission 10X, NITTTR. He has also attended workshop on “Modeling & Simulation of Refinery Processes” organized by petroleum Federation of India and IOCL in 2014.

He is a life member of “The Indian Society For Technical Education” (ISTE)

He is also associated with “Vittiya Saksharta ”Abhiyan (Visaka). Along with this he is also performing several duties at department level and institute level

He is fully dedicated towards Mechanical Engineering and teaching job. His passion of life is to contribute new concepts in Mechanical Engineering through his innovative thoughts, research publications and interactive teaching learning process.
