

**SAURABH GUPTA**

**Assistant Professor, ME**

Mr. SAURABH GUPTA has completed his Bachelor of Engineering Degree in Production Engineering from Bharati Vidyapeeth University College of Engineering PUNE in the year 2008. Furthermore he is an alumni of Indian Institute of Technology [IIT] Roorkee as he had completed M tech from the same in the year 2012. His specialization in masters was production and industrial systems which is a major chunk of the mechanical engineering field. Presently he is working as an Assistant Professor in BIT Meerut in the department of Mechanical Engineering. He has joined the institute in JULY 2012.

He has a total experience of around 7 years in the academic field while teaching in various institutes. His expertise in teaching allows him to undertake subjects like Engineering Mechanics, Strength of Materials, Mechanical Vibrations, Computer Aided Manufacturing and many more. He is also serving as the Faculty Coordinator for M tech [Mechanical engineering] regular Course of AKTU in the department of mechanical engineering.

Mr. Gupta is having his research interests in the field of production technology in major with more specifically in the areas such as Nontraditional Machining and Manufacturing, Processing of Composite Materials, Hybrid Manufacturing, Material Inspection and Testing etc. Moreover, he has guided more than 40 students for their final Year B tech Projects. Presently he is also the member of the Project Monitoring Team of the department.
