Inspiring Excellence Through Education

Bharat Institute of Technology
Affiliated to APJAKTU, Lucknow (Formerly UPTU), Recognized by AICTE & Ministry of HRD

Beacon Institute of Technology
Recognized by NCTE, Affiliated to C.C.S. University, Meerut & Board of Technical Education, Lucknow

VISION & Mission

VISION

To provide quality education and groom students into confident and competent professionals imbibed with ethical values to successfully meet the challenges of highly competitive environment in global arena.

MISSION

To spread knowledge in the field of Engineering & Technology, Pharmacy and Management in dynamic synchronization with industry so that the students acquire global competency and apply the same in tandem with industry expectations and social aspirations.

To develop as a centre of excellence in imparting skill based knowledge along with necessary theoretical and analytical input to develop industry relevant human capital for sustainable competitive edge and social relevance.

Educate students to think critically and creatively, identify and solve important technological problems, practice engineering with technical skills, have high regard for ethical principles, and understand economic and environmental responsibilities.

Perform high-quality research that advances applied sciences and technology while preparing future researchers for industrial, academic and government positions.

THE INSTITUTION

BIT, Meerut has carved a niche for itself among the best private colleges in U.P. It is situated on Delhi-Dehradun highway and is in the heart of the Meerut City. BIT has state-of-the-art infrastructure comprising of well developed laboratories, central and departmental libraries, seminar halls, conference halls, administrative area, offices, separate hostels for boys and girls, cafeteria etc. Presently BIT offers B.Tech. in five branches viz (Computer Science [Artificial Intelligence & Machine Learning, Artificial Intelligence Data Science], Information & Technology, Electrical & Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering), B.Pharm, D.Pharm, BBA, BCA, Diploma in Engineering six branches viz Mechanical (Automobile & Production), Civil, Electrical, Electronics, Computer Science), MTech. Programmes in three branches, M.Pharm programmes in two branches, MCA and MBA. With numerous awards such as the Best Placement Award by State HRD Minister in 2015, 24th Best Private Engineering College of India ranked by CSR, Industry fusion in every semester; Regular Corporate lecture series by eminent experts from corporate sector industry relevant language labs, Job Readiness Training; Trans disciplinary learning for all round development; Industrial training and site visits; and Project based learning — we ensure holistic development of students.

The Industry Academic Collaborations have been with the best known industries of the world such as Oracle, VMware, Benrely, Redhat, Amazon and Wipro to name a few.

The teaching methodology goes far beyond the chalk and talk with case studies, seminars and smart classrooms nurture self confidence, people management skills and analytical reasoning. Our faculty peruse excellence in the theoretical and applied research which in turn contributes to its expansion of teaching and research avenues by pursuing sponsored projects from both the government and the private sector thus contributing to the benefit of society.

With more than one lakh books available in the Library, a rich collection of multimedia nodes titles, access to reputed e-Journals and National Digital Library, our commitment is strengthened to meet the needs of students by enhancing their knowledge and personality.

The institute encourages extra curricular activities among students for all round development in ABHIVYAKTI (Cultural Events), TECHNOTSAV (Technical Events), Sahityakriti (Literary Events) and Josh (Sports Events). The institute also hosts Zonal level fest of AKTU, Lucknow.

THE TRUST

Space Age Research and Technology Foundation Charitable Trust was established in the year 2000 by a group of illustrious entrepreneurs. Bapu Institute of Technology affiliated to Dr. B.R. Ambedkar University, Agra was the first Institute started by the Trust. Thereafter, Beacon Institute of Technology and Bharat Institute of Technology came into existence in the year 2001.

The Trust of BIT endeavours to develop new knowledge, scholarly understanding and professional practice and to promote innovation in the curriculum and continuous Quality Improvement in Technical Education.

CHAIRMAN'S MESSAGE

Education is the foundation of a prosperous society. At BIT, we are dedicated to shaping young minds with values, knowledge, and skills essential for success in today's world.

Our vision is to blend tradition with innovation, fostering holistic growth and empowering students to tackle modern challenges. Beyond academic excellence, we emphasize on character building, ethical values, and social responsibility.

To meet the demands of a dynamic global landscape, we continuously enhance our infrastructure, teaching methods, and industry connections. The pandemic has further inspired us to embrace technology and adopt hybrid learning models, ensuring seamless education. We also support deserving students through various scholarships.

I sincerely thank our faculty, staff, and parents for their continued support in making BIT a center of excellence. Together, we can build a brighter future for our students and our nation.
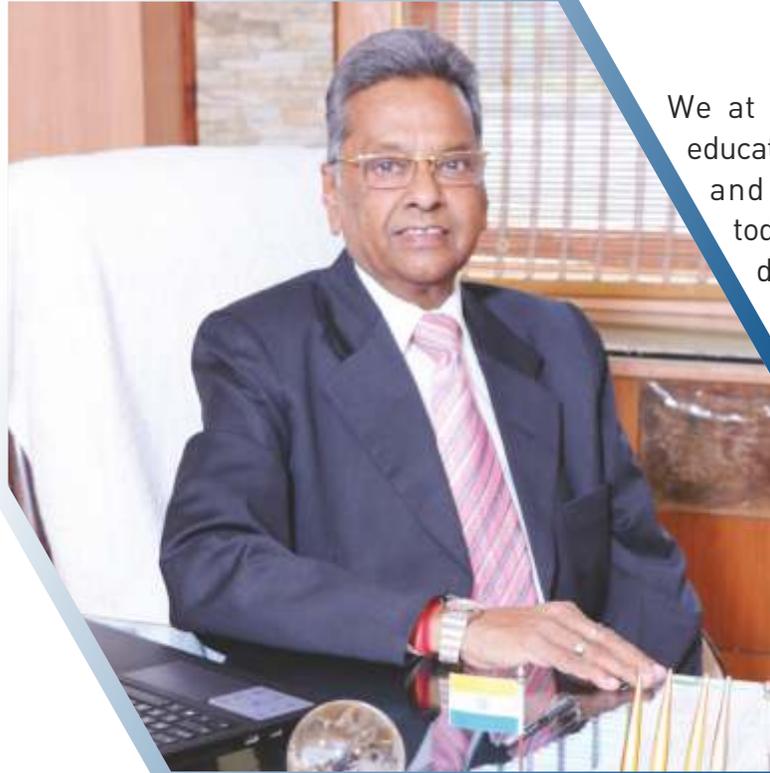

Warm regards,

Sh. Sanjeev Mittal
Chairman

❝ If you want to shine like a sun, first burn like a sun ❞

-Dr. APJ Abdul Kalam

TRUSTEE'S MESSAGE

We at BIT, are focussed to provide education that is thorough, purposeful and meets the requirements of today's job market; education that disciplines and inculcates values; education that is in tune with the changing dynamics of today's competitive world.

With the ever-changing demands of the industry, our CADC department is dedicated to engage the students not only classroom training but in various other activities like industrial visits, internships, workshops, seminars and webinars to make them ready for a successful career ahead. We have fortunately witnessed the best placement opportunities with satiate number of students getting placed with the most premier companies.

I wish you all a bright future ahead.

Sh. S.K. Jain
Trustee

> An education which does not teach us to discriminate between good and bad, to assimilate the one and eschew the other, is a misnomer.
>
> -Mahatma Gandhi

PLACEMENT DESK MESSAGE

Ms. Manisha Sharma is currently employed as a HOD at CADC, where her role encompasses overseeing Corporate Placements and cultivating strong relationships with reputed organizations. Before joining BIT College, she gained extensive experience in Human Resource development and Marketing at esteemed establishments such as HDFC Bank Ltd., The Millennium Schools (Group), MPS – Group, and Indraprastha Apollo Hospitals. With a decade of proficiency in HR and Marketing, Manisha Sharma is recognized as a results-driven leader, adept at implementing solutions for talent acquisition, retention, and motivation. She focuses on helping companies optimize their most valuable asset, their workforce. In her role, she ensures the fulfillment of all placement requirements and facilitates communication among various organizations, fostering potential opportunities and take it forward among students for further execution and give them a life time career through first campus selection.

Ms. Manisha Sharma
Head CADC

BEST PLACEMENT AWARD

BIT has been conferred with the Best Placement in UP (North India) award by the state HRD Minister Shri R.S. Katheria on recognition of its outstanding placements.

ENTREPRENEURSHIP DEVELOPMENT CELL (EDC)

Entrepreneurship Development Cell, BIT Group of Institutions, Meerut, is a self-financing, not-for-profit organisation, which helps in developing entrepreneurial abilities. The skills that are required to run a business successfully is developed among the students through this initiative. Sometimes, students may have skills but it requires polishing and incubation. This programme consists of a structured training process to develop an individual as an entrepreneur. It helps the person to acquire skills and necessary capabilities to play the role of an entrepreneur effectively.

Objectives

1. Establishing Entrepreneurship Awareness Camps, Entrepreneurship Development Programmes.
2. Organizing Guest Lectures, Webinars, Seminars etc.
3. Arranging visit to industries for prospective entrepreneurs.
4. Managing and Assisting students on various aspects such as preparing project reports, obtaining project approvals, loans and facilities from agencies of support systems and information on various technologies.
5. Conducting skill development training programmes leading to self/wage employment.
6. Testing, calibration, quality assurance, design, tool room, pilot plant and other facilities for Entrepreneurs besides expertise in Intellectual property rights, patent's search etc.
7. Providing Student Work Force to Industries and Institutions.
8. Encompassing necessary guidance to the trainees in obtaining approval and execution of their projects.

BIT developed this cell with the vision of incorporating the zeal and assisting students to become successful entrepreneurs.

Photographs of EDC Inauguration by Shri Abhay Dayal, Md Dayal Group & Shri Aman Dayal (MD Dayal Infosystems) with Shri Sharad Jain, Trustee, BIT.

CORPORATE AFFAIRS DEVELOPMENT CENTER - TRAINING

Bharat institute has a separate department of training and placement managed by a dedicated team. The training that is extended by the department creates a platform which acts as a window between students and the outside corporate organizations. It guides and helps the students in securing fruitful career with respect to different dimensions. We focus on module-based learning in the PDP and Quantitative Aptitude from the very first year, with the resolution of achieving holistic development of our students.

APPROACH that we Follow

S — Specific (clear and detailed)
M — Measurable (so you know you've done it)
A — Achievable (realistic)
R — Relevant (address a need)
T — Time limited (set a deadline)

WHAT WE DO

To stand out in this competitive world, a student is required to hone many skills and abilities which is not a one-day job. A student needs to carve out these skills by practising every day and this takes a long time. These skills will be helpful not just in one aspect, but widely in building a lucrative professional career. The department helps in burnishing the knowledge and abilities from the very basics and moving it down to expertism through mock interviews, mock group discussions and making them highly skilled in their respective fields.

It's an immense important to train the students to mould them according to the corporate culture, simultaneously it is also a crucial part to assess them. For this, well revered trainers assess the students based on topics taught at a regular interval. And we have a transparent platform for students to submit their suggestions and feedback for the training sessions in a detailed format.

We follow module-based training program in each semester for all the courses which is further divided into two parts:

PDP (PERSONALITY DEVELOPMENT PROGRAM)

- Conversation English
- Communication Skills
- Interpersonal Skills
- Story narrations, Verb Patterns
- Speech fluency
- Pronunciations
- Presentation Skills
- Work Place Etiquette
- Body Language
- Self Confidence
- Positive Attitude
- Self-Motivation
- Confidence Building
- Role Plays
- Reporting, Speaking habits
- Powerful Presentation Techniques
- Time management
- Voice modulation
- Stress Management
- Building a positive attitude — creative thinking
- Executive Corporate Attire / Formal Dressing etc.

QUANTITATIVE APTITUDE

Mathematics
- Percentage
- Ratio and Proportion
- Simplification
- Average and Ages
- Vedic Math etc.

Logical Reasoning
- Coding and Decoding
- Series
- Puzzles
- Directions etc.

Other than the practical classroom training, BIT is indulged in variety of activities like industrial visit, guest lectures, seminars, webinars and capsule programs by experts from the industry itself. Through these sessions we wish to take students close to the real work scenarios.

TRAINING PARTNERS

Next Step — TCS NextStep is an exclusive web portal for entry-level graduates to apply for a job at TCS by successfully cracking their exam. From the very first year the students are engaged in the activity of registering themselves and practising to appear for the recruitment process.

InfyTQ— Infosys started taking the InfyTQ exam to recruit students for Infosys Certification Program. Every year Infosys conduct InfyTQ exam for the students who wants to be the master in Programming. The students get benefit of registering with InfyTQ in the form of being able to understand the latest trends and technologies.

Future Learn- Expert teaching delivered by world-class universities and organisations like British Council, King's College London, The Open University, Monash University, Accenture, University of Michigan. Students have a wide range of courses to opt for as per their interests and career choices.

ASSESSMENT PARTNER

Co Cubes: CoCubes.com is India's largest assessment and hiring platform. They run assessments to measure employability across all domains — from programming to plumbing. CoCubes works with 750+ corporate clients to execute entry level and lateral assessments and has access to more than a million candidates through its platform.

INDUSTRIAL VISITS TO TOP MNC'S

Industrial Visits is a part of the education, during which students visit companies and get insight of the internal working environment of the company.

The Industrial Visits also provides an insight on how companies work and also provide useful information related to the practical aspects of the course which cannot be visualized in lectures. There is a huge gap between today's educational system and industrial requirements. College outcomes do not reach the expectations of a company. The only way to bridge the gap is connecting students with the industries so that they understand the need of the industries and groom themselves accordingly.

At BIT, we focus on this aspect very ardently. Among the various industrial visits that took place, the major is in HCL Technologies, Coca Cola, and Mother Dairy, Yakult etc.

HCL

Parag Dairy

Yakult

100% INTERNSHIP ACHIEVED (B. PHARM 2024 BATCH)

Internships are a gateway to the real professional world, in which an individual has intentional learning goals and reflects actively on what he or she is learning throughout the experience. BIT offered 100% internship opportunities to B.Pharm students of 2020-2024 Batch.

ALUMNI SPEAKS

MUKTESH SHARMA
Batch : 2010-2014 (ICE)
Current Designation : Assistant Manager
Current Company : AD Instruments South Asia Pvt Ltd

"BIT is one of the best Place to learn and Enjoy your student life ,they helped in grooming myself from a student to a Confident Professional. I have learned and gained knowledge from my respected faculty members and PDP trainers. Today when I deliver lectures and technical trainings to a different Research scholars from DRDO,AIIMS, IITs, NITs etc. I feel confident."
All thanks to BIT.

MUKUL BHATI
Batch : 2010-2014 B.Tech (EC)
Current employer : Global logic India

BIT campus is an awesome place to complete your graduation/ post-graduation. We have best knowledgeable and friendly faculties here. Who are having a great Teaching experience.
From a limited distance from highway noise, It is located on a big campus area which is Well maintained with eco-friendly environment, parks, play grounds and a never forgetting life time experience.

SALMAN LQBAL
Company name : Dr. Reddy's labs
Designation : Area Sales Manager

I had completed my B pharma from BIT at the year 2011.A great college with a great faculty and a great Infrastructure. They taught us very well and prepare us to be a great People for our organisation.
I got my Campus placement At Merck Sereno a leading MNC. The Marketing faculty prepare us to Qualify the interview and with their help I got selected in a very big organisation.
So a big thanks to the BIT college to shape my future.

SIDDHARTH GOEL
Company Name : AD Instruments
Position : Assistant Distributor Manager - MENA (International)

My experience with BIT was great. It gave me an opportunity to explore the new field of Instrumentation(I.C). College management, Faculties, Staff & Placement Cell were really supportive. Thank you for such a great experience

AKASH SINGH
Compnay : Mirra Health Care
Designation : Senior Software Architect

I am Akash Singh this side.
Working as an Senior Software Architect in Mirra Health care (Florida based MNC).
I had the best time of my life in my college, and my college life memories will always make me happy. Apart from my books and stuffs, I got so many new opportunities to explore my self and learnt plenty of things like robotics , social activities.

ANUJ GUPTA
Company : ISGEC SFW Boilers Pvt. Ltd.
Designation : Manager EIC
(Electrical, Instrumentation and control automation).

I took admission in B-Tech (EC) in 2001 which was the first batch of B-Tech in BIT. After completing my degree in 2005, I got placement in Jindal Power Ltd. as a graduate trainee. I also served in Reliance Infrastructure limited and Tata Consulting Engineers Ltd in managerial role. Now, presently I am working with ISGEC SFW Boilers Pvt. Ltd. as a Manager EIC (Electrical, Instrumentation and control automation).
Being a first batch, it was a challenge for us and for faculty as well since nobody was aware about the university pattern of exam and other things. However, the things were gone well due to the hard work done by all the members of BIT family. I have been so happy and comfortable from almost the moment I got in BIT campus. Everyone has been so friendly and helpful.... No matter wherever we go (in faculty room, library, labs, canteen...) I always saw a friendly face.
The atmosphere in campus was conducive to creative and productive learning, the College really cares about its members like family.
It was a place of civility, friendship, and good cheer... Finally, I would say... they care.

BHUVANESHWAR SHARMA
Name of the Department : Prasar Bharati (India's Public Service Broadcaster)
Designation : Engineering Assistant

As I Know BIT is the best for studying. There are best faculty members. I had learnt my technical knowledge, practical as well as theoretical knowledge, Good Professionals skills. There are best teachers who taught the students with their full efforts and motivates. At last I will say to thanks for my institute and my teachers.

PULKIT BANSAL
Company : Cians Analytics Pvt. Ltd. Gurugram
Designation : Associate
Role : Data Engineer

Message: It is my pleasure to place on record the wonderful years I had under the auspices of BIT. I would like to thank the BIT family for transforming me from a newbie to an industry ready graduate. The knowledge & excellence of the professors have truly helped me throughout my corporate journey. Currently, I am working as a Data Engineer/Python Developer and all the lessons which I learned during my college time are helping me till date. My message for my fellow juniors would be that whatever you are learning today is not useless and would help you in the long run, just try to focus on the areas of your expertise and you will definitely achieve your goals.

DEEKSHA JOSHI
Compnay : Infosys
Designation :

My name is Deeksha Joshi, 201 8 year passed out from CSE department. Currently I am working in Infosys, Pune. My four years journey in BIT including hostel life has been an indelible experience. BIT gave me an opportunity to get to know my field of interest and to pursue my career in that professionally although it was an odd choice at that time to choose networking as your field. But I followed my interest from the beginning of my third year.

TEAM CADC

BIT has been the first and only college in the region to initiate an In-House CADC i.e. Corporate Affairs Development Center union of Training & Placement Cell. At BIT, CADC is sensitized to function all through the year towards generating placement and training opportunities for the students. Reputed industrial houses across the country visit our institute regularly for the campus recruitment programmes.

The placement department coordinates quite well with the corporate sector and provides well-developed infrastructure to facilitate the campus selection programmes, guest lectures, seminars, workshops etc. whereas the Training department caters to the demands of the corporate houses in terms of keeping the students updated as per the skills required and trends adopted by the industries from time to time. We enable the students to understand their interest, needs and give them guidance from time to time so that he could visualize their goals correctly.

At BIT, training activities are organized throughout the year right from first year to fourth year so that our students could become corporate ready and thereby face the placement drives successfully. We have full fledged team of accomplished professionals from academics and industry, who have rich industrial & academic experience, who make an effort towards preparing the prospective students for the campus selection programmes.

We emphasize on laying a firm foundation by improving & focusing on their Attitude, Interpersonal Behaviour, Body Language, Communication Skills, Professional Grooming & Etiquette, Presentation Skills, Self-esteem and Confidence Building, Team Building along with Reasoning skills & Aptitude as we focus on over all development of our students so that they could face the competition and challenges of life even after college with full confidence and zest.

In the third and fourth year we conduct rigorous trainings on Interview Skills, Verbal Ability, Group Discussions, E-mail writing etc and conduct the Mock Sessions regularly. Online exams and Capsule Training Programmes for GATE, Cocubes, AMCAT are being conducted regularly for the final and Pre-final students of all courses and branches.

Our pioneering efforts have borne fruits in achieving academic-industrial rapport and we are proud that our students are absorbed by leading giants in the industrial firmament.
